Dear Liberty Public Schools patron:

On January 12<sup>th</sup> and 13<sup>th</sup> the Liberty High School Speech and Debate Team will be hosting its thirteenth annual invitational speech and debate tournament. We are hosting to allow our students the educational opportunity to organize and administer the tournament, to reciprocate to those schools whose tournaments we attend, and to provide the community with a competitive example of our activity. The students are already hard at work to make this effort a success.

In order for a tournament to be successful, it must have judges. At all the tournaments we attend, the people who judge the students are community members who may have some or no knowledge of the activity before they decide to judge. However, experience is not necessary. What is necessary is a desire to be entertained and to help competing students to improve their performances and abilities to communicate.

Below you will find a form that we would much appreciate you filling out. So far, schools from throughout Missouri have entered our tournament; help us make their weekend in Liberty an enjoyable and successful one.

Sincerely,

Tim S. Baldwin  
Director of Debate

Mick Turpin  
Director of Forensics
