

## Liberty Speech and Debate Anticipated Fees

My goal in providing this list of anticipated fees is so that your family may plan ahead for costs associated with speech and debate. If you would like to pay them all at once, simply fill out this sheet and include payment at the beginning of the year. You may also pay as these costs come up throughout the year. If your family is currently experiencing hardship, please just let me know and fill out this sheet—costs will be covered by the team (you may also donate to the hardship fund). I will discuss these costs further at the parent meeting on September 11<sup>th</sup> at 6:00 p.m. at the high school Little Theater; please feel free to wait to turn in any money until that night.
