

Spring Theatre Performance Contract

This contract is an integral part of the success for shows performed with the Liberty High School Theatre Department.

I realize the importance of the following:

- All required rehearsals, meetings, & dates when lines/blocking/choreography are due. Any more than two unexcused absences from rehearsals will result in termination from the production.
- **Coming to rehearsal prepared with all the necessary tools needed.**
- Not changing my appearance in any way (body piercings, tattoos, hair coloring, hair cuts/trims) without first consulting the directors.
- **I will not engage in any form of dangerous activity that might cause vocal or bodily harm. (Please see director for clarification of dangerous).**
- Furthermore, I will maintain & uphold my academic status keeping in constant contact with my teachers.
- **I will not arrive to rehearsal or school under the influence of any kind or I will be terminated from the production.**
- In the event that I become ill or an emergency situation arises I will contact the directors keeping them aware of my whereabouts.
- **In order to participate in rehearsal or performances, I must be in attendance for at least 4 class periods during the school day. This is not your opportunity to sleep in!**
- If understudy roles are available for this production, I can apply with the understanding I may never perform that understudy role unless an emergency situation arises.
- **I understand I must pass 6 out of my 7 classes in order to remain MSHSAA eligible. If I become ineligible, I understand I will be dismissed from production.**

*I understand I will be responsible for paying a non-refundable fee for meal, costumes, t-shirt, etc. if applicable to the production. These fees must be paid in full before the appropriate deadlines.
